## ***Product Information***

### ***OPN-Car Care Spray Foam***

#### ***4 car care products in ONE***

- ***tire-***
- ***rim-***
- ***cockpit-***
- ***rubber care***

#### **Properties:**

- cleans and cares all rubber tires, rims and cockpit surfaces in one step
- gives used tires and plastic components color depth and gloss
- gets fast and deep into the treated surfaces
- cares and protects against embrittlement
- protects rims and tires against splashing water and environmental influences
- active ingredient contains silicone

#### **Application Range:**

- conditioning of cars, car garage, car care and service
- everywhere where rubber and plastic parts have to be cleaned or cared

#### **Application:**

**Our information are recommendations based on our experience. We accept no liability for any damage without tests concerning suitability for the specific application, without preliminary trials and if the products is misused.** Spray from a distance of approx. 20 cm until the outer side of the tire is completely covered. Reacts automatically, wiping or rinsing is not necessary. However, before driving, wait an appropriate time until the drying is complete. For cockpit, rubber and rim care apply the active substance to a clean, dry cloth and apply evenly. Polish with a soft cloth.

#### **Caution:**

**Do not** use on steering wheel, pedals, treads, motorcycle or bicycle tires. Do not allow the active substance to get on the ground - danger of slipping! **Do not spray on brake discs, brake drums, brake pads** or motorcycle seats and clothing. **Protect from frost.**

**Only for professional use! Always observe safety data sheet before use.**

#### **Delivery information: Art.-No. 60861**

Spray: 500 ml Content, Packing Unit: 12 Cans/Carton

#### **Observe the information on the label and of the EC-safety data sheet!**
