Product Information

OPN- Stainless Steel Quick Polishing Spray

- *for polished and matt surfaces for indoor and outdoor*
- *cleans* • *cares* • *protects*

Properties:

- stainless steel surfaces are cleaned, cared and protected in one step
- leaves a dirt repellent, long lasting, invisible protection film
- lets water run off
- removes fingerprints, solves greases and oils
- quick and material friendly processing, cleans even big areas free of reams and streaks

Application Range:

- Polished and matt surfaces, for example exhaust hoods, hand rails, lifts, post boxes and much more - even applicable for aluminium surfaces

Application:

Our information are recommendations based on our experience. We accept no liability for any damage without tests concerning suitability for the specific application, without preliminary trials and if the products is misused.

Shake can strongly before use. Remove coarse dirt. Spray on dry surface evenly and thinly, allow to briefly have an effect, afterward swipe off with smooth, dry cloth and polish. Do not spray on hot objects. Do not use in blazing sun. **Exclude food contact! Protect from frost.**

Only for professional use! Always observe safety data sheet before use.

Delivery information: Art.-No. 63236

Spray: 400 ml Content, Packing Unit: 12 Cans/Carton

Observe the information on the label and of the EC-safety data sheet!
